

Kansas City Woodworkers' Guild

Increase your Woodworking skill and knowledge

Becoming a Guild Sponsor

Thank you for considering a Guild sponsorship. Your support helps us in our efforts to serve our members and the public. Whether your business supplies woodworkers in the Kansas City area or nationally, your sponsorship directly supports the sharing of woodworking knowledge and the Guild's community service projects.

Your sponsorship also gives you access to hundreds of active woodworkers locally and thousands nationally (both hobbyists & professionals) on a monthly basis. Sponsors are encouraged to attend our monthly meetings and share information about their products and services. Your company's logo and link are listed on the Guild's website.
