This will take you to the My Account page which will show you all the sign ups that you have responded to under the "Invited To" tab. Click on the pencil icon to the right of the item and you will be able to edit your RSVP or revise your sign up.

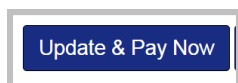

In this edit area, you can change your signup from Check to PayPal.

How will you pay for this class?

Check

After you make that change, scroll to the bottom of the screen and click the Update & Pay Now button. It will then take you through the payment process.

If you signed up without an account (using your name and email address), you can get to the sign up by following the link provided in the confirmation email that was sent after you signed up.
